

Clinical pharmacology: Now, More than Ever!

Saturday June 25 2022

13:00
Pre-meeting for Young Clinical Pharmacologists
16:00

17:30
Reception
19:30

Sunday June 26 2022

09:00
Poster presentations

10:00
Welcome and introduction; "Clinical pharmacology; Now, more than ever!" EACPT president
10:20
Plenary lecture #1: "New Artificial intelligence tools to the service of medical questions"

11:00
Refreshment

11:20
Plenary lecture #2: "Regulation at Speed"
12:00
Lifetime achievement award and lecture: Kim Broesen

12:40
Lunch

14:00 S2a: Pharmacogenomics in clinical practice (co-organized with ESPT, European Society of Personalized Therapy)	S2b: Orphan Drugs	S2c: Artificial intelligence and machine learning techniques and their use in clinical pharmacology and therapeutics
--	-------------------	--

15:20
Coffee

15:40 S3a: OMICS and Targeted Biomarkers	S3b: Public-private collaboration in drug repurposing: challenges and opportunities	S3c: Clinical pharmacology for the multimorbid geriatric patients
---	---	---

17:00 "Clinical pharmacology Health care services" - a symposium in memory of Folke Sjöqvist	Satellite symposium	BCPT Nordic Prize in Basic & Clinical Pharmacology & Toxicology
---	---------------------	---

18:30

19:30
The Recipe Pubquiz
21:00

Monday June 27 2022

07:00	EACPT run		
08:00	Workshop 1: TBA	Workshop 2: Writing a succesful grant proposal	Workshop 3: TBA
08:50			
09:00	S4a: Advanced Therapies	S4b: Advanced Drug Delivery / Formulations	S4c: New ways of learning Clinical pharmacology
10:30	Coffee		
11:00	S5a: Biomarkers Of Drug Toxicity	S5b: Mixed Oral Presentations	S5c: CPT training across Europe
12:00			
12:30	Lunch		
13:30	Poster presentations		
14:00	Plenary Lecture #3: "Rapid Bench to Bedside of Medicines"		
14:35	Plenary Lecture #4; "Antibodies against COVID-19"		
15:10	Coffee		
15:30	S6a: Immunopharmacology	S6b: COVID-19 (session 1) Update on therapies	S6c: Changing Benefit-Risk Balance of Medicines (challenging the mantra)
16:50			
17:00	Satellite symposium	Satellite symposium	EACPT council meeting
18:30			
19:30	Congress dinner		
23:30			

Tuesday June 28 2022

08:00	Workshop 4: Pharmacovigilance in Practice	Workshop 5: What makes a good journal peer review	Workshop 6: TBA
09:00	Group meetings (EuroDurg, UEMS etc); EACPT ExCo meeting		
10:00	S7a: UPDATING THE ICH GOOD CLINICAL PRACTICE GUIDELINES (E6): PRESENT STATE, MAIN CHALLENGES AND PERSPECTIVES	S7b: Joint meeting with IUPHAR	S7c: Special populations in drug-development and rational prescribing
11:30	Informal GENERAL ASSEMBLY		
12:30	Lunch		
13:30	Poster presentations		
14:50	S8a: Antimicrobials	S8b: Psychopharmacology	S8c: Special populations in drug-development and rational prescribing (session 2)
15:00	Award lectures (Young investigator, EPHAR/EACPT joint award, Education) and closing ceremony		
16:00
